

CAMP BRUCE McCOY

Dear Friend:

The Brain Injury Association of Virginia (BIAV) will host the 29th year of Camp Bruce McCoy, a nationally recognized camp program for individuals with brain injury, at the Triple-R Ranch in Chesapeake, VA in May 2012. Camp McCoy provides a wonderful recreational experience to more than 80 adults, as well as respite for their families who often provide 24-hour care the remainder of the year.

BIAV is very proud that no one has ever been turned away due to financial reasons. This is only possible because of the generous support we receive from individuals and an array of organizations. The following is a list of things that can be sponsored, as well as some of the items that are needed to run this great program as safely as possible. If you are able to help with any of these items, please contact BIAV at 804-355-5748 or 1-800-444-6443 for details.
