

CAMP BRUCE McCOY 2008

The Brain Injury Association of Virginia (BIAV) will host the 25th year of Camp Bruce McCoy, a nationally recognized camp program for survivors of brain injury, at the Triple-R Ranch in Chesapeake, VA in May 2008. Camp McCoy provides a wonderful recreational experience to more than 80 individuals, as well as respite for their families who often provide 24-hour care the remainder of the year.

BIAV is very proud that no one has ever been turned away due to their ability to pay. This is only possible because of the generous support the program has received from individuals, businesses, churches, and civic organizations. The following is a list of things that can be sponsored by groups or individuals, as well as some of the items that are needed (donated or loaned) to run this great program as safely as possible. If you are able to help with any of these items, please contact BIAV at 804-355-5748 or 1-800-334-8443 for details.

- _____ Sponsorship of a weekend mini-camp for 15 survivors (\$1125)
