

2021 DAY CAMP PROGRAM APPLICATION AND PROGRAM DETAILS

Yes, there will be a Camp Bruce McCoy in 2021!

But it's going to be very different. Because of how late we learned overnight camps would be allowed this summer, we do not have enough time to plan for a normal week-long camp.

We are going to be holding 4 one-day camps across the state. The dates and locations appear below and you may pick only 1.

Activities at all sites will be scaled back, lunch will be the only meal provided, and campers who need help will have to have someone come with them. EVERYONE who applies will be called by Camp Management staff to gather additional information whether you are first time or returning camper.

We are still requiring a medical letter of clearance, so you'll need to get on that right away.

WHEN/WHERE: Sunday, May 23 in Chesapeake at the Triple R Ranch Tuesday, May 25 in Roanoke at Garst Mill Park Thursday, May 27 in Woodbridge at Leesylvania State Park Friday, May 28 in Richmond at Pocahontas State Park

APPLICATION DEADLINE: April 1, 2021

CAMP FEES: \$125. Financial assistance may be available. If you need help paying the fee, please include a request with the application.

FINANCIAL ASSISTANCE: If financial assistance is required, please include a note with the application stating the amount of assistance needed. **Do not delay submitting the application because of financial need;** your space at camp can be reserved while support is being sought.

FAMILY ASSISTANCE REQUIRED: If the camper is not their own legal guardian, is unable to manage their own medications, requires physical assistance for mobility or self-care, and/or requires constant supervision due to cognitive/behavioral concerns the camper **MUST** be accompanied by a family member or other designated caregiver **FOR THE DURATION OF THE DAY**. If a camper must be accompanied by a caregiver, the individual providing care must sign an acknowledgement of their responsibilities.

FOOD: Lunch will be provided. When we call to follow-up, we'll be asking everyone about dietary restrictions/needs for campers and anyone who comes with them. We will not have the ability to keep food cold or cook anything, but you can bring non-perishable snacks if you need them. We will have Gatorade and water coolers.

COVID PRECAUTIONS: We will follow all applicable state/CDC guidelines at the time of camp regarding gathering size, masks, and social distancing. There is an acknowledgement you will need to sign confirming you understand the COVID risk, in addition to a general assumption of risk agreement.
