

CEU's for Heading Forward Virtual Event

- Up to four contact hours or 0.4 CEUs (1 CEU is equivalent to 10 contact hours) will be available to participants.
- For professionals, it is solely up to the certifying agency-not VCU-whether to accept or decline VCU CEU's.
- To receive CEU's you must enroll and pay online for the CEU's for the event **no later than June 5, 2020** – cost is \$30.00. BIAV will be verifying participants attended the live sessions or viewed the recordings. In addition, **participants must also complete a learning assessment.** The learning assessment is located on the event webpage. Once all these components are completed, we will be sending this verification to VCU on June 4th. If you have not viewed all 4 recordings, completed the learning assessment or attended live sessions by then please contact Debra Holloway at <mailto:debra@biav.net>
- **All payment is done directly with VCU.**
- BIAV is not responsible for collecting any payments or complete any paperwork for CEU's.
- When the CEUs are processed and available, a notification will be sent to the email address provided by the participant on their registration with their online registration. Only participants who have paid will receive this information. Participants can log into their account to view their CEU information any time after that. Unofficial transcript can be sent upon request. Call: 804-828-1370.
- Certificates of attendance will be provided after the last session. These are needed for CBIS certification. CEU's are not required.
