

## Using BIAV's Online Directory

### What is the directory?

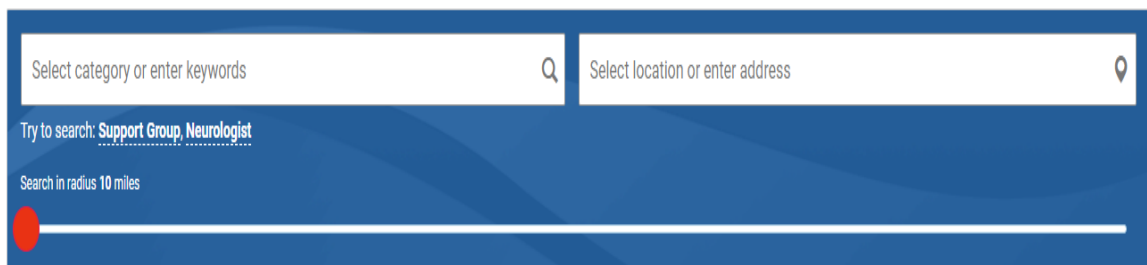

Our directory is a database of supports and programs available in Virginia. All people and places listed have experience working with individuals with a brain injury. Examples include support groups, therapists, rehabilitation providers and attorneys.

### Let's get started!

1. Adjust the radius button to the distance from the address entered you would like your search to include.

2. Enter your address or zip code into the location box.

If you have a key word or category you would like searched enter it in the first box, **this is not required**. Not sure what you are looking for? View our **Quick Guide** that defines the types of professionals and what their role is in your recovery!

Select category or enter keywords   Select location or enter address

Try to search: Support Group, Neurologist

Search in radius 10 miles

3. Be sure to then click the green, "Search" button.

4. A listing of entries matching your search details will then be listed including a map of where the entries are located.
