

# STAY INFORMED WITH THE MYNUMOTION CLINICIAN APP

The myNumotion Clinician App was built **with therapists for therapists**, and allows you to access valuable resources and information quickly and easily.

## With the app you will be able to:

See status of open Numotion orders for all your clients, including anticipated delivery date.

Upload order documents to Numotion with the simple click of a button.

View contact information of the Numotion team (ATP, CCC, Service Tech) assigned to each client's order.

Chat live with Numotion representatives.

View clinical education resources, news and events.

## GET STARTED TODAY

1. **Download the myNumotion app for your device** or go online to [www.mynumotion.com](http://www.mynumotion.com)

2. Click the New Users Register Here link

3. Enter your information. **Your Numotion PIN number is:**
