

Camp Bruce McCoy Counselor Packing Checklist

Packing Tips:

- Clearly label ALL of your items with your first and last name!!!**
- It's always best to plan for the worst---** Pack for hot days and cool nights, as well as potential rain
- Bring all medications you regularly take, as well as any you might need.
- Bring enough clothing and bedding to get you through one week without having to do laundry
- If you play a musical instrument, feel free to bring this for the campfire and any music activities during the week
